

## BRITAIN IS SWARMING WITH THE UNEMPLOYED

One Person in Every Thousand Speaks Worse Than Last—Casual Papers Have Increased 75 per cent. in Nine Years.

London, Sept. 24.—Some 25,000 special reports are being published in the English papers to-day to show the extent of unemployment and pauperism in the country. That one person in every thirty-seven in England and Wales is a pauper is the central figure of the news which is issued by the local government.

The year 1899 opened with just a little short of 1,000,000 persons in receipt of public relief. This year there were 1,000,000 persons. There were 15,253 additional paupers on January 1, 1899, this year there are 15,253 additional paupers having increased by 14,000 in twelve months. The number of able-bodied men receiving relief has increased by 10,000, other temporary causes increasing during the same period by 133 per cent. The total number of persons receiving relief by the Ministry of the Interior is the highest record since 1872, although the record in its time was 1,000,000 of paupers, the proportion is lower.

*The Cost of Poor Relief.*

The amount of poor relief has increased by 75 per cent. since 1899. Six million pounds is expended annually. It is estimated that the cost of distribution of the local authorities has risen to £40,000,000. In London alone some £10,000,000 is expended every year on charity.

The outlook for the coming winter is not encouraging, while the authorities had to deal with a greater extent of unemployment than ever before. The Committee of the Local Government Board took up the herculean task. During the winter of 1898-99, when the number of paupers in the preceding year, both an increase in the number of applications for work and the number of persons entertained. One in every eighty-five persons in districts covered by County Committees of the Local Government Board were under fifty years of age.

*The Tariff Reform Gray.*

These statistics are being passed on a convincing argument by the creators of tariff reform.

"Economics," speaks, "is not dead." The nation for years has been living on its capital and now is steering straight upon disaster and regarded possibly as the last chance of employment and pauperism denote the failure of the Government to insure or maintain the welfare of the people.

A decision must be made between the desire for free trade or the progressiveness of Great Britain."

Tariff that is brought forward now moves more into the foreground, but under cover of the election it will be made the battle cry of the government, which in its turn, as well as in Conservative political circles, it is generally agreed, will come before many months, possibly before the end of the year.

**TRADES AND LABOR OFFICERS.**

**Conventions Next Year to Be Held at Fort William.**

Quebec, Sept. 24.—Wm. Glocking of Toronto, president of the Dominion Trades and Labor Congress at this afternoon's meeting, and Hoy T. Taft, president of the Canadian, the place for the next convention.

The elections were all kept secret, too, so far as the public knew, yesterday afternoon. There were two candidates for the presidency, James Simpson and Wm. Williams, and after a tight contest between them the vote standing 50 for the latter and 49 for the former.

Invitations were received from Fort William, Guelph, and Brantford for the meeting, and the election of Fort William and Guelph being the contenders for the honor, the former won out with a good majority.

When the election for a fraternal organization was reached, Glocking, Verville M.P., was nominated to be foisted to decide the honor, stat in his speech that he would do what he could, which would open on November 10 next, would preclude his attendance.

Mr. Anderson, of Toronto, was then elected.

The discussion made for a fraternal organization was reached, Glocking, Verville M.P., was nominated to be foisted to decide the honor, stat in his speech that he would do what he could, which would open on November 10 next, would preclude his attendance.

Fraternal delegate to the American Federation of Labor, Fred Bancroft, Toronto.

The congress sat late into the hour tonight in order to clear up a question of a large amount of time was devoted to a spiritual debate upon the power of God to help us. Mr. Bancroft said that before any action is taken in connection with the Imperial defense committee, the whole matter be referred to a referendum.

**CONTempt OF COURT CHARGED.**

Solon, solicitors for Mrs. Mand Turner, held by the police in connection with the death of a baby in the Toronto News, have appealed to the editor of the Toronto News for alleged contempt of court in referring to the story of the Turner murder case before the court.

The news must be compelled to withdraw the story, or the whole matter be referred to a referee.

## TO VISIT DOMINION AGAIN.

Lord Stratford Speaks of Canada at the "Great Canadian Festival."

Montreal, Sept. 24.—"You carry us to the people of Canada that this is an reverent and not bad breed; I hope by God's help, to again visit the shores of the grandest country in the world." These were the words of Lord Stratford, who is about to leave Canada.

Montreal, Sept. 24.—His lordship will embark on the Empress of Ireland at Rimouski.

New York, Sept. 24.—The English and German fleets came into the North River with the rain today, closing the gap between the American and European navies. Now the ships of the Forty-second street to Spuyten Duyvil Creek there stretches a mile of naval power representing more millions of steel and iron and bottled up destruction in iron tons than this hemisphere has ever seen before.

The Kaiser's representatives were settled in their headquarters a long distance down the river from the British fleet.

He said, "This is an review and exercise of our strength, which we go to make a great people. Canada as a whole must soon be one of the most progressive countries in the world."

Canada is a nation united as one man in his loyalty and devotion to the Motherland.

It must be admitted that Lord Stratford although he professed he was well, showed unmistakable signs of age.

When he came into the station leaning heavily on the arm of his secretary of state, who wished to shake him by the hand, but excepting a handshake and made direct for his car.

On Mrs. Harrison's shoulders will now rest the management of the 42,000 acres of woodland, pasture land and timber land, located on the steep sides of Town Hill, the completion of which will add \$2,000,000 without living up to it finished; and those places where the estate measures up to expectation.

Mrs. Harrison, according to reports, has a fortune of \$100,000,000.

Mrs. Hetty Green's holdings have been estimated at \$40,000,000.

Penfield, wife of Anne Weightman of Philadelphia, at \$80,000,000 and those of Mrs. Russell Sage at like amount.

A sufficient sum has been realized to establish a modest retreat. This plan would be open to all players who have sold their share of lottery tickets, etc. Any player who has served a year in any of the four leagues and is unable to find work or eligible to enter the house when he had no other means of support. ## WHAT THEY THINK OF IT.

## JOHNSON TO WHIRL JEFF.

## New York, Sept. 24.—Tommy Ryan, as great a fighter as ever lived, says John Johnson is the best boxer in the world.

## In giving his opinion, Ryan makes it plain that it is honest prophecy and not pronouncement. He has had his hands with the big ring of the heavies. In a letter to a friend he says:

## "I am a known quantity in the fighters, but when Jeff and Johnson come together, Jeff will be the one in the ring. Don't think you can see Jeff in the ring. I am on bad terms with him. I am taking the Johnson side, and the argument is over that he is going to get Jim Corbett."

## "The first time Jeff never met a man of his own blood, and in the negro he met a man with a man who is his equal in power. That's what Jeff will do with Jeff— that's what he is."

## In a known quantity in the fighters, but when Jeff and Johnson come together, Jeff will be the one in the ring. Don't think you can see Jeff in the ring. I am on bad terms with him. I am taking the Johnson side, and the argument is over that he is going to get Jim Corbett."

LOCALS

There is a 25-pound pumpkin on display in the window of Morkin Bros., at 651 Jasper Avenue, which will be sold at 25 cents a pound. Mr. Herbert, "The Catholic Mission at St. Albert," has one this summer which weighs 91 pounds.

The Rally Day services in connection with the Presbyterian Sunday school will be held at the First United Presbyterian Church, services will take place in the evening instead of the afternoon, as in the other church.

The 100th anniversary of the church will hold anniversary services on Sunday and Monday, 26th and 27th. Rev. R. H. McLean, pastor, will preach Sunday morning and Rev. W. C. McLean, on Sunday evening. On Monday evening a service and anniversary entertainment will be held in the church.

F. J. Griffin, of Winnipeg, chief commissioner of the C.P.R. child department, and L. A. Hartman, of Toronto, will speak in the afternoon in the city on a trip through the West, noting development and looking into some of the problems of the country, accompanied by A. George, of Winnipeg. The party leaves tonight for Whitehorse.

The Exhibition Association is desirous of getting a good display of vegetable gardens, and has invited the Edmonton exhibit at the New Westminster Fair. Cauliflower, square carrots, and beans are especially. Anyone having such produce for exhibition purposes is requested to bring it to the Horticultural Department. Donations will be called for by J. L. Porte on or about October 1st.

At the First Baptist Church on Sunday evening, Rev. F. W. Parsons, on behalf of the students, will speak to the students. This service will have special interest at this time, in view of the fact that many of the students have responded and students generally have taken serious hold of the work of the church. Rev. Parsons will speak on the subject, "The Great School." A special invitation is extended to all students.

**GOVERNOR GENERAL'S PARTY.**—The Governor General's party, which will arrive at the C.P.R. station at Strathcona on the evening of Thursday, September 29, for the opening of Parliament on the following day, is as follows: His Excellency, the Governor General; Lady Grey, Lady Sybil Grey, Lady Evelyn Grey, Miss Broderick, Mr. Lowes, Governor General Lascelles, Rev. A.D.C., Capt. Fred.

## TO LAY OUT TRACKS.

A meeting of the Exhibitors committee appointed by the city council to take charge of the preparation of the new Bathurst bridge was held at the Park on Wednesday last night. On the committee are Alderman Garret, Manson and Johnson, members of the City Council, and Secretary Harrison of the Exhibition board. All the members were present and the plans for the laying of new grounds were discussed. This afternoon the committee is visiting the park in company with the manager of the park on the location of the half-mile track, work on which must be commenced right away if the park is to be open next summer. When the track has been located its position will be indicated in the park, and the manager will be in charge of the committee and competitive plans for the laying out of the ground with 100 feet of the park.

Early in October Mr. Harrison will make a trip to the Coast in charge of Edmonton exhibits, and while there will investigate the ground plan of the fair and other points on the Coast.

**THE OTHER SIDE OF THE CASE.**—In a recent issue the Bulletin published an item regarding an action brought by the Macleod River Townsite company, against the Macleod River Townsite company. So that there may be no misunderstandings, it is to be noted that the suit is now done, the Bulletin has stated that the article as published was and still is not necessarily represent the facts, and certainly did not represent the Macleod River Townsite company's side of the case. The Townsite Co says it was an error to state that Dan Ziehlby had been paid his money. The action is being defended and will come up for trial in the District Court in October.

The Macleod River Townsite company, a number of whose officers were at the townsite a week ago, fully contradicted Daniel Ziehlby. They believe he has no claim to the land in the townsite between Edmonton and the river. The suit is now on the east bank of the Wolf River, one of the prettiest spots along the G. T. S. system.

## SENT OF MURDER.

Before Mr. Parsons, of Vegreville, on Thursday, Harry Ziehlby was sent up to stand trial on a charge of having been killed with an axe at his farm about ten miles from Macleod. The evidence taken in the case shows that Ziehlby had visited with his wife at a nearby house on September 22nd, where a short time was spent by the accused and his wife. The wife, however, was indicating any intention of committing the crime that specifically followed. Harry Ziehlby, who had just passed the threshold of his neighbors house on their return home when the axe was thrown through the yard and in the presence of another woman, dealt his wife three severe blows, the last of which was a deep gapping wound. The woman sank unconscious to the ground with her screams.

Then Ziehlby, thinking his wife lay dead, went to smother his neighbor's house, and after he had the key to the cullars, and while there, gave the neighbor as a gift, his few chattels, consisting of a few household utensils. He then went out and with a pen knife mortified himself in a frightful manner.

## BENNETT RUMOR PERSISTENT.

The rumor that R. E. Bennett, M.P., of Quebec, who is in Edmonton pleading cases before the Supreme Court for the C.P.R., is in Montreal is now becoming generally accepted as a fact. It is believed that he will continue his work as C.P.R. solicitor for Alberta until the close of the session of the Supreme Court in Calgary.
